विवाह मुहूर्त

About your Vivah Muhurat

Vivah muhurat is the most carefully chosen muhurat in the Hindu calendar. Beyond a good Nakshatra and Tithi, the whole season has to be open: Jupiter and Venus must be visible, Chaturmas must be over and the Sun must be in a month that allows weddings. That is why only a limited number of dates qualify each year, and the popular ones are booked months ahead.
